To Whomsoever It May Concern

Mini Tool Room & Training Centre (MTRTC) set up by Govt. of Odisha (Managed by *Gram Tarang Employability and training services*); offers excellent opportunities for creating high end Technical Skills which results from rigorous exposures of Trainees to various theoretical aspects and adequate hands on practice to make them employment ready. MTRTC has been empaneled as registered vendor of **HAL, Sunabeda** to manufacture **Sukhoi and MIG engine** components. With ISO certified workshops and training facility, MTRTC is one of the finest organization for skill training for engineers. In association with NSDC & its Skill India mission, MTRTC and [Gram Tarang Employability and Training services](#) (GTET) is hosting "**Dream Skilled India**" drive in different institutions across the country in partnership with pioneer of the field [Sky Rider Automotive](#). With guest faculties of top automobile companies, GTET and MTRTC are conducting free workshop on "**Dream Skill India, Manufacturing & Automotive industries in India by 2020**" to promote skill India program and provoke students to adopt skills for a better future.

About Skill India Mission-

"I CALL UPON THE NATION TO TAKE PLEDGE TO MAKE INDIA THE SKILL CAPITAL OF THE WORLD"

- P.M Sri Narendra Modi

Skill India Portal was conceptualized to provide a collaboration platform to help empower all the stakeholders to freely connect with each other. The overall focus of this initiative is to help provide an engaging ecosystem to cater to skilling needs of citizens by publishing and sharing relevant information. The outcome of this collaboration should ideally lead to inclusive growth especially for those at the bottom of the pyramid (approximately 800 million citizens).

About the workshop-

GTET (partner of NSDC) and MTRTC are hosting "Mission skilled India" on behalf of **NSDC** in various states of India in association with the pioneer of the field, "[Sky Rider Automotive](#)". The aim of the mission is to spread the awareness about skill India and value of skill oriented courses among students. Along with the skill based knowledge, experts from automotive industries like **Ashok Leyland, TATA Motor, Mahindra, Yamaha** will take

an motivating yet guidance session of “*Scopes of Manufacturing & Automotive sector in India by 2020*”. Students can learn future aspects in manufacturing, design & automotive industries along with their requirements, accordingly how they can prepare to excel their career in respective fields. End of the workshop, student will get a **Skill India (NSDC) certificate** of participation.

As the workshop is an eye opening session about skill programs and future skill India, so students from any branch can participate and can get a Skill India (NSDC) certificate.
