

SKY RIDER AUTOMOTIVE IN ASSOCIATION WITH MINI TOOL ROOM & TRAINING CENTRE (SET UP BY GOVT. OF ODISHA), CENTURION UNIVERSITY

Presents

MISSION “DREAM SKILL INDIA” – FREE TRAINING PROGRAM UNDER NATIONAL LEVEL SKILL INTERNSHIP- THE KAUSHAL MELA 2018

GUIDELINE FOR PARTICIPANTS

Dear Participant,

Warm greetings from the whole team of Sky Rider Automotive for showing your interest for the free skill training program during Kaushal Mela 2018 (National Level Skill Internship in Summer) .We are extremely happy to welcome you to our campus and wish you good luck for your training program and for your career.

Important rules and regulations for the Participant:

1. Participant has to send the scanned copy of this form along with declaration form & **Annexure-1** after website registration.
2. Principal, HOD or mentoring faculty from the students institution must send a confirmation letter in official letter head regarding participation of the student.
3. Participant has to obey all kind of safety majors and instructions very strictly.
4. Participants are strictly advised to wear shoe while working or entering in to our workshops. Without shoe, if a student faces any problem or injury he/she shall be responsible for that.
5. Your safety is our priority- Without glasses, globes, shoe you shall not be allowed to use welding machine, grinding machine or any such machine that may cause injury. If this is not followed by students and faces any kind of injury, he/she shall be responsible for that.
6. Medical facility will be provided to all students in case of requirement. The expenditure incurred by the medical facility has to be carried out by students.
7. If parents or guardian are coming with a participant during admission or during the training program, they will be provided accommodation maximum one day. Single Participant is allowed to bring maximum one person along with him.
8. Hostel, study material & uniform fee for the program is 2500/-. If a participant wants to further attend any of our training, has to pay extra 2000/- per month as hostel fee.
9. Participant has to follow rules and regulations of hostel and maintain discipline. In case any students found disturbing the co-mates of the room or hostel, will be debarred from training immediately.
10. All travelling expenses of participants will be borne by student himself. We will provide bed in hostel. Students have to bring their daily usable along with them.
11. Students have to respect, obey trainers and maintain discipline inside campus during training and staying in hostel without fail. Any kind of disturbance inside campus with fellow students or outside students shall be reacted with strict action and termination.

12. Consumption of tobacco inside academic or hostel premises is an offence and student has to pay monetary penalty. Repetition of same offense may result in termination of the student.
13. In no case, consumption of alcohol is entertained inside campus. If anyone found consuming alcohol inside hostel or training premises, immediate termination will be done and same will be informed to the student's institution and parents.
14. Though it's a free training, but students have to be equally serious in attending classes, rules regulation and discipline during the training.
