**About Skill India Mission-**

***“I CALL UPON THE NATION TO TAKE PLEDGE TO MAKE INDIA THE SKILL CAPITAL OF THE WORLD”***

***– P.M Sri Narendra Modi***

Skill India Portal was conceptualized to provide a collaboration platform to help empower all the stakeholders to freely connect with each other. The overall focus of this initiative is to help provide an engaging ecosystem to cater to skilling needs of citizens by publishing and sharing

relevant information. The outcome of this collaboration should ideally lead to inclusive growth especially for those at the bottom of the pyramid (approximately 800 million citizens).

**About the Free Winter Workshop under DREAM SKILL INDIA mission-**

Sky Rider Automotive and MTRTC are hosting “**Workshop on BS4 and Emission control Technology by Ashok Leyland & KNOW Vehicle Training**” in

association with Ashok Leyland to upgrade engineering students on emerging technology. The workshop is a complete skill up-gradation workshop for students and with certificate of participation for all students after workshop. If students are **interested to get Authorized Ashok Leyland certificate of participation (Recommended)**, that can also be provided to students. The workshop will cover complete theory and working principles of the technology and then students will see the live Demonstration of BS4 engine, its working, and tools by Know vehicle by Ashok Leyland. Industry experts will take a guidance session of “**Scopes of Manufacturing & Automotive sector in India by 2020**” during the workshop to help them choosing a right career path.
